

Interstate 75 Construction in Southeast Michigan

Interstate 75 is currently undergoing a \$1 Billion overhaul. What this means to visitors in July 2019 is bad traffic in and around I-75 from I-696 to 12 Mile Rd. During rush hours, the zone of inconvenience extends from 8 Mile Rd. to 14 Mile Rd. There are many alternative routes to choose from as you arrive from the south or west. The simplest recommendation would be to use Woodward Avenue as an alternate. The lights are timed, so if you follow the speed limit, you can oftentimes go through dozens of intersections without catching a red light.

From the South – Rush Hour

Exit I-75 Northbound at 8 Mile Rd. and follow the signs for 8 Mile Rd. (M-102) West.

This is 8 Mile Rd., just like the movie. Not exactly a garden spot, but you will be ok.

Proceed approx. 2 miles to Woodward Avenue (M-1) northbound.

Follow Woodward for approximately 10.1 miles to Birmingham.

Just past the Mercedes-Benz Dealer, take a right onto Big Beaver Rd.

Follow this for 3.8 miles until you pass under the I-75 overpass. You will then see the Marriott on your left. Execute a U-turn in the boulevard turnaround after you pass the Marriott.

From the South – Off-Peak Hours

Exit I-75 Northbound at I-696 and follow the signs for I-696 westbound.

After a mile or two, take the Woodward Ave exit and stay to the right.

Take a right at the second light onto Woodward Ave. (M-1) northbound

Follow Woodward for approximately 7.2 miles to Birmingham.

Just past the Mercedes-Benz Dealer, take a right onto Big Beaver Rd.

Follow this for 3.8 miles until you pass under the I-75 overpass. You will then see the Marriott on your left. Execute a U-turn in the boulevard turnaround after you pass the Marriott.

From the West

I-275 northbound to I-696 eastbound.

Exit I-696 at the Woodward Ave Exit, stay left-ish as you exit and get on to Woodward Ave (M-1) northbound.

Follow Woodward for approximately 7.2 miles to Birmingham.

Just past the Mercedes-Benz Dealer, take a right onto Big Beaver Rd.
